# Thank you for joining us!

Thank you, thank you, thank you to the Mideast Region Centralized Conference Planning Committee (CCPC) for making this conference possible! Organizing weekly meetings and leading the team took serious commitment and dedication of chair Laura Jerome, with Linda Stricker assisting to mentor and work through the many details for delivering contact hours and education for our members. The determined vendor team of Lisa Kirk and Tim Luttrell was tireless as they made contacts and contracts for our member's benefit. Amy Hoenstine assisted with successfully submitting grants and monitoring the intake of money to ensure our conference success. Chelsea Ross and Kate Zimnicki gave thoughtful consideration of the plans and Sarah Colston assisted with meeting minutes. Beth Fangman gave oversight to all the meetings, shared wisdom, diligence, and watch care of all the many details of the conference.

Please join me in giving our CCPC members a huge thank you and words or hugs of appreciation as you take in the blessings of this conference! I also encourage you to be sure to connect with each vendor and share your appreciation for their support of us and our education. We truly have been blessed.

Gratefully serving as your President,  
Deb Crawford
