

CE Information

University of Michigan Health Nursing Professional Development & Education is accredited as a provider of nursing continuing professional development credits by the American Nurses Credentialing Center's Commission on Accreditation.

To receive nursing continuing professional development (NCPD) credits, you must attend the entire session & complete the post-activity evaluation.

Up to 12.75 Nursing Contact Hours will be provided

Conference Objectives

1. Provide evidence-based knowledge of the latest techniques, applications, and treatments related to wound, ostomy, and continence care.
2. Discuss advances in clinical knowledge and practice impacting individuals affected by wound, ostomy, and continence care.
3. Participate in networking opportunities and collaboration with other conference participants.

Target Audience

This conference is for nurses in all settings working with patients with wounds, ostomies and/or continence issues. We also invite APNs, PAs, nurse managers, nurse administrators, nurse educators and physical therapists. Nursing students are always welcome.

Attendee Conference
